Seniors

Do you recall all those senior privileges — like early release and skipping finals in June? Remember the chant, "Two more years!!" as you slowly walked into the gym at the November Pep Rally as intimidated sophomores? Well our senior year has finally come — and it's about time!

After just three short years, you have strived to become one group of achievers, all hoping to reach your own different goals while working together. You have formed your own personalities, and grown together, forming friendships. You have become the class of 1995.

No matter where you go or what you do, these years spent at Weymouth High School will always be a big part of your memory. While some may go off to college and pursue professions, others will directly enter the work force, while still others may go off to join the service. But no matter how far a distance you travel from WHS or your relations at WHS, you will always be joined by the place where you started out, and you will always be the Class of 1995.

The Year Time Won't Forget

President, Naomi Sullivan, Vice-President, Tracy Shankle, Secretary, Tricia Keenen, Treasurer, Rich Bykowski.

To the Class of 1995:

First I would like to thank you for electing me to lead our class. It is a great honor to me. I also thank you for the wonderful memories that I will cherish always.

Our class united while still in junior high, and we encountered many problems. But as we have grown together, we have overcome those difficulties and become a prosperous class. Together we made the Class of 1995 the success it is.

I wish all of you happiness and success as you go on wherever life may lead you. Remember to be strong, live up to your potential in all that you do. Never give up and you will succeed. Good luck and God Bless!

Your President,
Naomi Sullivan

"Guys and Dolls"

The senior class play, "Guys and Dolls" was a hit this year in the halls of Weymouth High. A talented and hard-working cast, colorful scenery, and an intriguing storyline made this musical a success. Great job cast and crew!

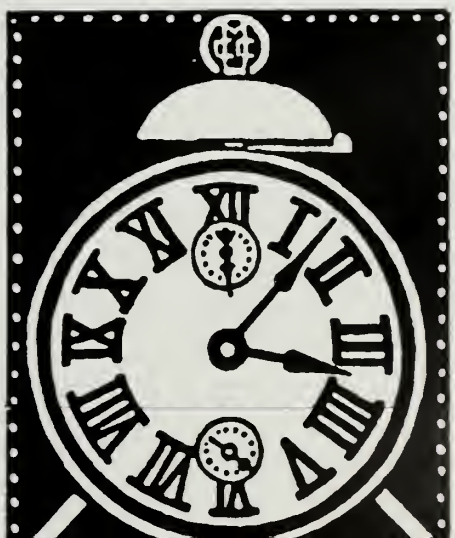
CLUBS

Weymouth High has a variety of clubs and activities to suit every student's individual interest. Not everyone is an athlete, so it is great to become involved in a social activity. Some of our clubs, such as Key Club, Student Senate, SADD, and the Senior Committee, are service oriented and do a lot for the community. For our more creative students we have the Art and Literary Magazine as well as WHS in the News. Students with academic interests can join Math Team or Academic Decathalon. Weymouth High's activities give students a sense of responsibility as well as a chance to meet new people. But we all know that the most demanding of all the clubs is the Yearbook Committee!

CLUB TIME IS FUN TIME



These are the days . . .

It's all about . . .
Friendship.

YEARBOOK

As those who slaved into the late afternoon tirelessly every day during and after school, even in the summer, we should know best that it is about time this yearbook came out. Page by page, we built this book up from designing a cover to writing the endnotes.

We chose the theme, "It's About Time" because that's what life is all about. You'll find the "time" theme used in many ways throughout these pages.

We worked diligently and put in many hours of writing, rewriting, and designing these layouts to present to the Class of 1995 what we hope is a great yearbook.

Student Advisory Committee to Weymouth School Committee

As a mandate of the Education Reform Act, students of public schools are now required to have a voice. Each year, five students are nominated and elected to the Student Advisory Committee to the Weymouth School Committee. We act on behalf of all WHS/VTHS students and advise the Weymouth School Committee on everything from class curriculum, to senior "early release."

WHS In The News

Weymouth High School had the best sports teams and an extensive amount of clubs — but it didn't have a basic school newspaper. Two years ago, WHS students, in conjunction with the Weymouth News, came together to bring back the student paper which ended when the two high schools merged. Our paper is unique in its student-organized, student-run operation. This requires extra effort from students to write and submit, we are so proud of our achievement in this area. Staff members include Marilyn Trudell, Jean-Marc Bird, Robin Strempel, and Michelle Smith.

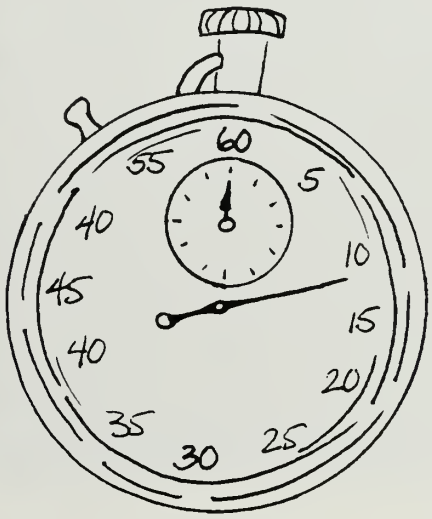
SPORTS

Athletics are an important part of student life here at WHS/VTHS. The wide variety of sports we offer provide students with many opportunities to meet new people, stay in shape, and become involved in competition. The Boy's Soccer Team brought home one of this year's many triumphs when they were named OCL champs, and the Wildcats finally beat Brockton on Thanksgiving. All of our athletes deserve to be recognized for their efforts; it does not matter if we win or lose, it's the hard work and camaraderie that helps to make WHS/VTHS the great school that it is. Whether you like to run in the race, or cheer for the team, sports give everyone a chance to get involved.

Play Time



TAKE IT FROM THE TOP

The 1994-1995 Wildcat Marching Band experienced a very active and memorable season. Some of their activities included performing with thousands of other band students from around the state at the annual UMass Band Day, traveling to Barnstable to perform at a festival, performing in the Abington Jamboree, and competing at Whitman-Hanson where they took home the bronze medal. They also traveled to Brockton with the rest of Weymouth High to cheer on the football players at the Thanksgiving Day game. Congratulations on a job well done band members!

This year, the WHS cheerleading squad was made up of extremely talented girls. Thanks for a successful and memorable year.

— Capt. Linda Chandler

In my opinion, we had the hardest working squad in the south shore! My two years of cheerleading have been the most fun, yet most challenging years of my life. I'll miss you guys!

The Weymouth Wildcat cheerleaders consisted of fifteen of the greatest girls a school could hope for. They cheered for the football and basketball teams with unconditional support. Not only did they cheer at every game, the cheerleaders also decorated the players' lockers the night before every game. The squad also participated in a competition in the fall. Other activities included commemorating the veterans on Veterans Day at the Weymouth Elks, running bottle and can drives, participating in the Weymouth Youth and Family Services Christmas peace walk as well as performing at the celebration. Led by Coach Linda Bertilino, Captains Linda Chandler, Julie Romasco and Michelle Smith, with seniors Stephanie Antoine, Noreen Finn, LuAnne Kelly, Trace Lanzendorfer, and Laurie Shephard the cheerleaders had a funfilled and exciting year.

Girls Cross Country

Led by Tri-Captains Sandy Logan, Kristin Enmmett, and Kerry McDonald, the Weymouth's girls' cross country team finished with a 5-3 dual meet record, placing them third in an extremely powerful O.C.L. The team placed 5th at the South Shore Principals meet and finished 8th in E. Mass. Division I. Coach Souke was extremely pleased with the fine efforts of all his runners and wishes continued success to his captains and seniors Jenna Hickey, Sarah Mitsch, and Jenn Moore.

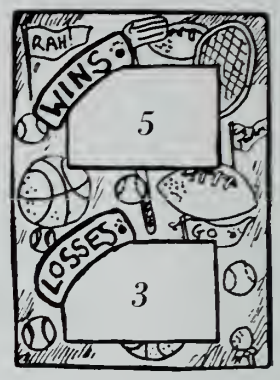
The Boys' Cross Country Team, coached by Ed Meehan, had quite a season. With the help of some great team leadership by Siple and Kadlick, the boys managed some solid wins over Barnstable, Quincy, North Quincy, and Taunton. One of the best and funniest moments of the season was when they defeated a good Falmouth team in spite of a few setbacks: Conlon and Masison each took a spill, and Callahan and Walsh made wrong turns on the Falmouth course. A great recovery was made during the last two miles, and they came out of what appeared to be a disaster with a 34-22 victory. The falls and wrong turns were much funnier after they had won the meet Underclassmen Dabel, Callahan, Walsh, and Zopatie form the core of what should make up one of the best teams in the OCL next season.



"This season we had our share of ups and downs, but through it all we stuck together and managed to maintain a winning record as one of the OCL's most competitive teams."
— Adam Siple, captain

"Big Ed led us valiantly throughout the year. We did our best, worked hard, and came out winners (and no one died). 1-2-3 DEFENSE!! F.A.G.!!!"

Dance Team

The Weymouth High School Dance Team had another great year. For the past two summers the Dance Team has won Universal Dance Association's regional competition, qualifying the girls to compete at Nationals in Orlando, Florida. Their dedication and hard work should definitely be commended.

"This season the Weymouth Football Team was picked to be in last place in the O.C.L. due to lack of size and strength. But as we came into the season, our first game reflected our whole year as a team. We played a close to perfect game against a great team and we lost. We all knew that by the way we played, it was going to be a good year. Ever since that we got better and better. Even though it seemed everyone was against us we did all we could and worked very hard to get the respect that Weymouth Football deserved and earned.

Our coaches played a great part in our efforts. We have a few young coaches who had hands on experience and a lot of knowledge about the game. Our head coach is a great guy and gave us the confidence we needed to get us through the season."

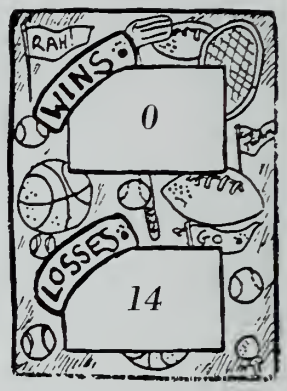
The Weymouth High Golf Team, led by captains Chris Macdonald and Don Norton played some of the best golf by Weymouth High in many years. Coached by Chris Curtain, the disappointed Weymouth Swingers fought to the end of a winless season, losing 1 match by a mere four strokes.



"We tried our best. It was a growing year for the team; they'll do well next year."
— Don Norton

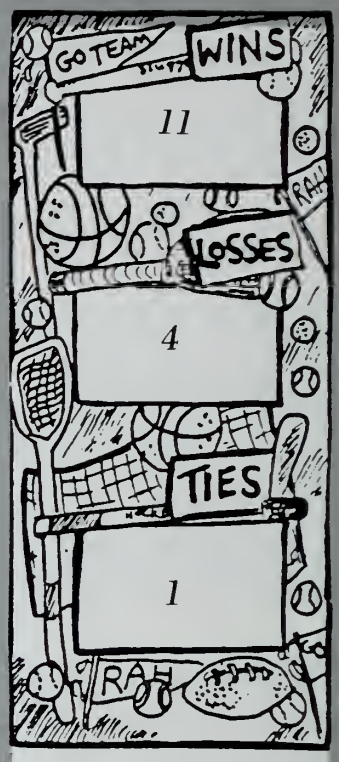
"The Weymouth Girls Soccer Team was 11-4-1 and placed 3rd in the OCL. The girls were led by captains Carolyn O'Hara, Katie Flavin, Jill Caterer, and Gianna Hutchison. Although the girls had to overcome several injuries they played well and came together as a team. Seniors Kellie Biggs, Katelin Chmielinski, Susan Ciccariello, Elaina Kelly, Carol Pisciottoli, Adrienne Robie, Katie Rooney, and Naomi Sullivan showed great leadership both on and off the field. They will be missed next year. The team will always remember beating Silver Lake, slip and slide, and "TARGET!" Many thanks to Ms. Deane and Coach Dave for a successful season."

— Captain Carolyn O'Hara



"The season was a lot of fun and I enjoyed the team. Senior year was the best I could have ever hoped for. Even though we did not win every game, I felt everyone gave 100% and that's all anyone could ask."

The soccer team had a really great season this year. They were winners of the Old Colony League Championship, which has never been accomplished except when the title was shared with Silver Lake in 1993. They were also winners of the Division I South Sectional Championship. Then they made the trip to Woburn to play in the Eastern Mass final, but were defeated by St. John's Prep of Danvers (3-0). The final record was the best ever accomplished in Weymouth High's history. Hopefully the team can do it again next year under Coach Shoff because he plays a big part in controlling the team. If any of the players were asked why they did so well, they would tell you one thing — it was because of Coach, because he's a very important part of the team and nothing could have been accomplished without him.

"There were no superstars this year, we worked as a team and had fun. Like the paper said we're the no name kids: but that didn't stop us."
— Jimmy Machado

"We were a serious team. We had a lot of depth. Coach Shoff and Griff got us up for the games. When it came down to St. John's, they were a better team that night. We had a great season."

The Weymouth Wildcat Girl's team's season was less than expected, with a record of 2 and 8. Although some girl's such as, Heidi Walsh, Nikki McDonald, Jackie Bean, and Christa Doulie did really well. This year they held their first home swim meet at MDC Pool against Walpole and paid for their late swim suits by holding a car wash at the school.

— Reenie Monturio

"I really enjoyed being captain for the girls volleyball team. We accomplished a lot and improved tremendously throughout the season. Good luck to all underclassmen and thanks to our coaches Mrs. Mulready and Ms. O'Neil. Seniors — Good luck in the future. It was fun!"

This year, the Weymouth Girls Volleyball team had an improved season from last year. The girls put in 100% effort in both games and practices. The record in numbers was not really representative of the effort put out by the team. Most games lost went to three games and high scoring. Coach Verna Mulready has done a great job improving the girls and increasing the wins. She has a young team that is already eager for next year's season, but will not soon forget the one just passed.

Seniors on the team were Tina Fisher, Kerri Madden, Michelle Malfy, Co-Capt. Reenie Monturio, Liz O'Donnell, Jen Pigeon, Sharon Ristuccia, Co-Capt. Kelly Robinson, and Manager Karen Rogers.

The 1994-95 wildcat girls basketball team was led by seniors Katie Flavin, Kelli Biggs, and Maureen Monturio. The team struggled through a tough OCL schedule but never gave up. The strengths of this young team were its pride and determination, and these were evident in every minute of every game. The underclassmen were able to earn valuable experience which should make the future for the wildcats bright.

I enjoyed working with all the girls everyday. I am going to miss them very much, and they are going to beat Randolph next year!

— Lizz McLeod

This was one of the best years the gymnastics team has had in a long time. Despite our only loss to Randolph, we qualified for the state meet and placed seventh. This was a great accomplishment.

— Jen Obert

Gymnastics

The Weymouth High School Gymnastics Team had an excellent season for the '94-'95 school year. Their long hours and their desire for success enabled them to obtain the outstanding record of 11 wins and 1 loss. With an all around group of girls, they were almost undefeated. They also qualified for the state meet and placed seventh. With these great accomplishments we have high hopes for next season.

It was a great season for Weymouth Hockey. The team finished second in the OCL and qualified for the Division I Tournament, seeded 12th thanks to hard work from everyone, especially seniors Jamie DiBona, Jim Machado, Pat Dooley, Rick Mooney, Rob Sacchetti, and Mike Rice. Our best game was a 2-0 win over a surprisingly good Silver-Lake team while successfully shutting down the top OCL scorer. Another great game was a 4-3 come from behind victory over a very tough North Quincy team. The entire league was saddened by the death of Matt Messing of Quincy who died on the ice during a league game.

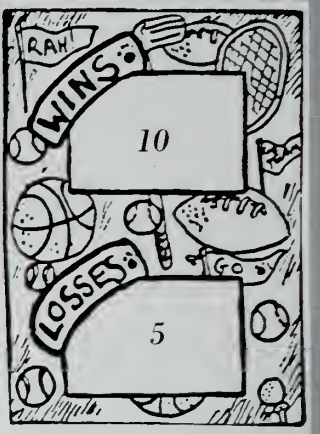
A special victory was the first place finish of the mile relay team of Caitlin Connelly, Janice Donovan, Sara Meehan, and Holly Rosa at the Freshman-Sophomore Meet at MIT beating Falmouth with a time of 4:18. The 1994-95 Weymouth Wildcat Wrestling Team, coached by Jerry Makin, Kevin Mackin, and Eric Burns, had a very successful season. They placed 2nd at both the Whitman-Hanson and North Attleboro tournaments, and 4th at the Division I South Sectionals. The Wildcats won the OCL for the 6th year in a row, and had six OCL All-Stars: Joe Curran, Baron and Shaun DeWitt, Joe Joyce, Kevin O'Meara, and Joe Morganella. With three state place finishers (O'Meara — 2nd, Curran — 3rd, Joyce — 6th), and two sectional champions (Joyce and O'Meara), next year looks more than promising for the Wildcat Wrestlers.



"I was psyched that we won the OCL again, considering our competition in the league."

— Joe Morganella

"The best was when we made other wrestlers cry. I really like that."

— Joe Joyce

Although 1994 was a disappointing year for the Wildcat baseball team, 1995 looks to be a promising year with returning seniors such as Mike Gates, Steve Kadlick, Pat O'Toole, Brian Anderson and Sean Burns. Along with some promising returning juniors Jim Gagnon, Jim Barrett, Eric Beatrice, and Jay Estano, these returning players and the rest of the Wildcat team make a bright outlook for next season.

"Next year we will be OCL champs!"
— Mike Gates

"It was a tough year, and we had good times, but wait until next year!"

Boy's Baseball

The most memorable game for the '94 season for the Wildcats, was during April vacation where after 4 innings Plymouth was ahead 13-4. The team rallied to tie the score in the last inning, and scoring an additional 2 homeruns in an extra inning, defeated Plymouth, and won the OCL-ACL Tournament.

The Wildcats played better than their 6-13 record showed. The disappointing record was partly due to injuries to some key players.

This year with the help of returning seniors Katie Flavin, Stacey MacMillan, Maureen Monturio, Nikki Angus, Adrienne Robie, and Carol Pisciotolli, we are sure we will improve over last year's record.

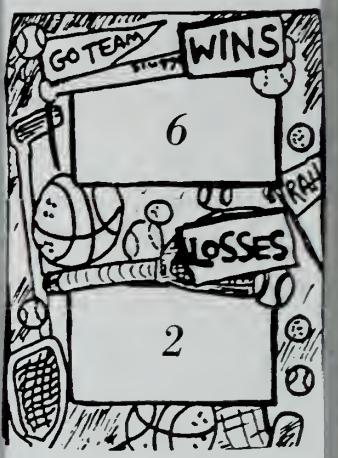
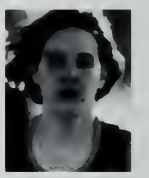
The Girls Spring Track Team had a very successful 1994 season. Their season ended with a 85-45 victory. The team had a great year, breaking three town records, four high school records and numerous freshmen records.

Kerry MacDonald, Sandra Logan, Gianna Hutchinson, Holly Chase, Kerri Donahue and Kathy Melder each had outstanding years.

The team is guided by Head Coach Richard Hayes and Assistant Coach William Wilson. Both coaches made for an enjoyable season and a great year in the toughest league in the state.



"Track is both a team and an individual sport. We worked hard as a team and hard in our own individual events. We accomplished a lot throughout the season." — Gianna Hutchinson



"We really pulled together towards the end of the season. Our team spirit strengthened along the way. Times to remember: 'East to West', 'Thunderation', and 'Happiness' — Kerry MacDonald

New school record holders included Christian Tate in both the long and triple jump, Chip Moore in the 110 meter hurdles, and Don Whittaker in the shot put.

With a large number of outstanding juniors returning for 1995, the team will most likely be in contention for the championship once again.

The boys varsity Volleyball team finished the season with a 10-10 record, which included five consecutive victories to end the year. The team improved consistently throughout the year, making the outlook for the '95 season optimistic. Seven players with varsity experience will return in '95, including captains Robert Murphy and Brian Leitao. Coach McEachern will look to them to provide the leadership and experience to the team.

OUT WITH THE OLD

His memory lives on...

An empty desk...

By Gerald A. Leafer
WHS faculty

It is very difficult to walk into the lab every morning and stare at an empty desk. Al Coronite was my partner in the Electronics Technology Program for the past four years, and I keep praying that I'll wake up and discover that it is just a bad dream.

As I look around the room I constantly have visions and recollections of all the wonderful things that took place during Al's tenure.

He had an incredible rapport with all his students who admired and respected him.

Al was a jovial fellow but he had a deep concern for each and every one of his students. He went out of his way to help his students with their problems, whether they were personal or educational.

A call to a parent was not necessarily for a discipline problem but for his concern over classroom performance.

Al had a genuine interest in all his fellow teachers and would be the first to offer assistance in any time of need.

I am sad. The faculty and staff of Weymouth High School/Vocational Technical High School are sad. We all miss him.

Albert Coronite will always be remembered.

Albert R. Coronite
1947-1994

"All mankind is of one author and is of one volume; when one man dies, one chapter is not torn out of the book, but translated into a better language; and every chapter must be so translated. ... God's hand is in every translation, and his hand shall bind up all our scattered leaves again for that library where every book shall lie open to one another."

— John Donne from "Meditation 17"

In Loving Memory of Al Coronite

For the emptiness of life
And in the shadows of gray
There's always a person
To help us along the way.

For all of the love
And all that you shared
We always knew that you
Really cared.

You gave so much joy
You gave so much help.
Your thoughts were always
There for us- before yourself.

The hurt inside of us
Will take some time.
But the thought of remembering
You, will be there all the time.

We love you,
— Brian Deree

Brian Deree was in Mr. Coronite's electronics class.

To the Class of '95,

The past three years have seen many changes in your lives. I hope, that during the time you spent with us, that we provided a safe and enjoyable environment; one that supported you and helped you grow into your own. I give to you my best wishes for all your futures. Good luck and remember that you will always be part of this school!

Ray Granai

Congratulations to all members of the Class of 1995. Hopefully, you have made good use of the past three years and that this will pay off with ever-increasing dividends for you in the future. You have good reason to be proud of yourselves on this day of major accomplishment.

Anthony Ciampa

Congratulations to the Class of 1995. I have enjoyed working with you, and wish you success in all your future endeavors. Remember, "there is no substitute for hard work."

Charles Mazzola

Best wishes to the Class of '95 — Live long and prosper!

Double Trouble

Weymouth High has the good fortune of having four husband and wife teaching couples. We interviewed them and here's what they said.

The Worcesters

Ed and Marie Worcester

The Science/English duo finds many advantages to working with each other. "It's good" says Marie Worcester, "It's nice to have someone who understands the frustrations and joys of the job." Commuting together is another advantage although Mrs. Worcester listed commuting together as a disadvantage, too.

A Thursday lunch date or after school activity makes it possible for the two to see each other during the school day. "We eat lunch together on Thursdays," Mr. Worcester says, "As Yearbook advisors we see a lot of each other then," is Mrs. Worcester's response.

The Moscas

Lois and Richard Mosca

Mr. and Mrs. Mosca met in college both majoring in Spanish. They both love kids and wanted to work with them. The Moscas both agree that working in the same school and department is nice. Mrs. Mosca doesn't think she would have liked it when she first got married, but now she thinks it's great.

When asked if they see each other much Mr. Mosca says they don't and that it is lucky they eat the same lunch this year. He also stated that students treat them like boyfriend and girlfriend although Mrs. Mosca disagrees.

She does agree with Mrs. Worcester when she says that having one car can be an advantage as well as a disadvantage when working with their spouses.

The Ciampas

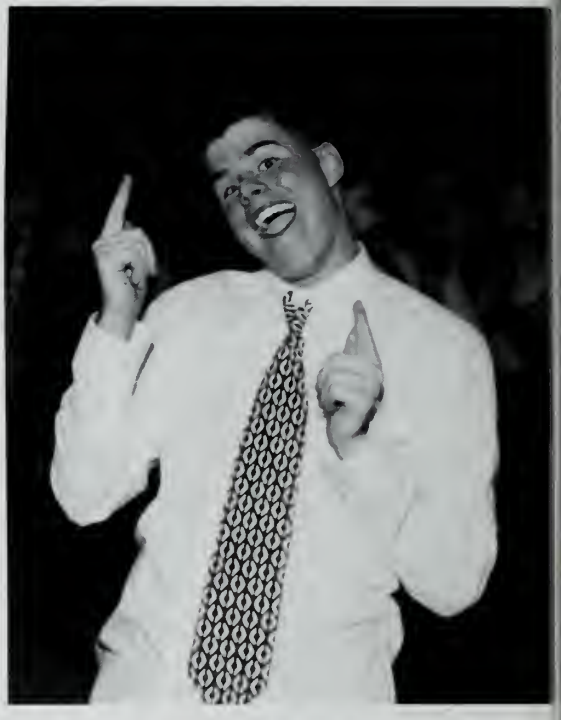
Anthony and Gertrude Ciampa

Mr. and Mrs. Ciampa met while in college preparing to be math teachers. They both enjoy working with each other, although they don't see each other much during the day. After all, Mr. Ciampa is always in the office handing out detention slips. They do share all their experiences with each other to make up for the lost time. Taking the same car can be an advantage for them except Mrs. Ciampa has to come back for him everyday. The Ciampas are relieved that nothing embarrassing has happened to them while working together. There's still plenty of time though.

The Dohertys

William and Dorothy Doherty

Mr. and Mrs. Doherty met when they were in study hall in the ninth grade. He says he became a teacher to avoid the draft. The Dohertys agreed when asked if they think their spouse has a different personality out of school. They said they feel as though they don't change at all; they're just nasty all the time. Mr. Doherty feels ambivalent about working with his wife. Unlike Mr. Ciampa, Mr. Doherty has had something embarrassing happen to him, but he says it's too embarrassing to talk about.



JUNIORS

We are too young to graduate and too old to be the new kids on the block. As juniors we rule in our own way. Our memories are fresh in our minds from our first year here and so is our anticipation of our final year of high school. We have one year left to make our years at Weymouth High the best and brightest times ever. During this year we will be making hard decisions that will affect our futures. We'll follow the lead of the best who have gone before us.

We wish the class of 1995 the best of luck in achieving their goals and dreams.

It's almost our time!

Sophomores

The class of 1997 has slowly become a part of the high school. They have established themselves as a part of the school by serving refreshments at the Senior Class play, and selling the Senior Tee-shirts. The sophomore class will be organizing a semi-formal dance and a raffle for fundraising. For everyone who has been willing to get involved, this first year of high school has been a rewarding experience. We are all looking forward to returning next year as juniors, and eventually as seniors.

Memories

The time has come to say goodbye
(Don't stop me if I start to cry),
It will be sad to leave our friends —
This doesn't mean it has to end!
Time can't take memories away,
So hold them dear and close, they'll stay.
Homework, finals, too many tests —
These things have never been the best,
We've lost some games and cried some tears,
But what has mattered through the years
Are all the good times we have had.
So although good-byes are often sad,
Just think about the friends we've made
And never let those smiles fade.
Parties, dances, games we've won,
All these memories weigh a ton.
We cannot stop the hands of time,
But memories can be sublime,
As long as they're kept in our hearts
We'll never really have to part.
